

## Adult Flag Football Playoff Requirements

2015

The single elimination League Playoffs will begin immediately after the last regular season game. The last regular season game will be determined by whether or not we have any other rainouts. Please keep an eye on the schedule on the website.

The double elimination City Playoffs will begin on the next available playing date after the league playoffs are over. (If weather and rainouts make it impossible to have a double elimination city championship, then it will become a single elimination city championship.)

In order to enhance our chances to play a double elimination city championship, we will play on the following days of the week for the playoffs: Monday, Tuesday, Wednesday, and Thursday. Your team must be available to play at any time from 6pm-10pm on all of those days. We cannot change dates or times to accommodate teams for the playoffs.

It will be each team's responsibility to find out what time and date you will play next. I will do my best to contact each team by email or text, but so far I have found that some teams are not checking their email and or text on a regular basis.

Once the playoffs start, on a daily basis, each coach must call our office number between 12 noon and 4 pm at 318-741-8450, and talk to someone to find out if and when your team plays. I will do my best to get that information to you by email or text so that you will not have to call, but it is your team's responsibility to find out if you are scheduled to play that evening. Any team not showing up to play will forfeit the game.
