To: All Contractors  
Subject: Water Meter Price Increase

As of April 17, 2013 our water meter prices will be increasing as shown below to cover the City of Bossier City's cost of materials.

| Size of Meter Service (In Inches) | Cost       |
|-----------------------------------|------------|
| 3/4" .....                        | \$275.00   |
| 1" .....                          | \$375.00   |
| 1-1/2" .....                      | \$1,100.00 |
| 2" .....                          | \$1,200.00 |
| 1- Port MXU Replacement           | \$122.00   |
| 2- Port MXU Replacement           | \$144.00   |

Sincerely,

Mark Hudson  
City Engineer
