GOALS

To coordinate and maintain daily operations of City government in accordance with our City charter.

To provide information about the City and its services to citizens, community organizations and the general public, and to assist these parties in requests regarding the delivery of City Services.

To institute City wide programs designed to promote the most effective use of City assets.

GOALS

To manage and report the City's financial affairs in accordance with the best recognized principles of government accounting.

To ensure that City employees are paid properly and in a timely manner.

To insure and protect the City and its employees against various risks and potential liability.

To provide health and retirement benefits to the City's active and retired employees.

To manage and control the City's fixed assets.

To safeguard the City's assets and monitor all disbursements.

To provide reliable, accurate, and timely financial data to the Mayor, City Council, City management, and operating Departments and Divisions on a regular basis.

To maintain vendor files, record revenue, prepare receipts and make journal entries.

To maintain separate books and accounts for all general, special, state, federal, & local monies.

GOALS

To establish, after consultation with the heads of the departments concerned, standard specifications for all supplies, materials and equipment required by city government.

To prescribe, with the approval of the Mayor, the time for making requisitions for such supplies, materials and equipment and the future period said requisitions are to cover.

To inspect, or cause to be inspected, all deliveries of supplies, materials and equipment purchased, and to cause tests to be made when necessary to determine their quality, quantity, and conformity with specifications.

To transfer, with the approval of the Council, to or between departments and agencies of the city, or to sell supplies, materials, and equipment determined after consultation with the head of the department concerned to be surplus, obsolete or unused.

To maintain an adequate system of accounting for all property received and issued in accordance with accepted principles for property and inventory control, and to maintain inventory of all movable property belonging to the City, as may be required by the Council.

To provide Administrative contract management for all Public Works, construction, procurement and professional contracts.

GOALS

To protect life and property and preserve peace.

To prevent criminal activity.

To expedite the efficient flow of vehicular traffic.

To gain continued public support for the Police Department.

To respond to demands for investigative service and to dispose of the demand as soon as possible.

To investigate criminal activity by juveniles and adult offenders and apprehend responsible persons.

To effect an improved clearance rate of reported crimes.

To coordinate investigative activities of local, state and federal agencies.

To maintain and efficiently operate the communications, training, records, identification and incarceration facilities of the Police Department.

To have a safe/ sanitary confinement facility to house all incarcerated persons.

To receive, prepare, maintain and coordinate all reports and records necessary for utilization by the Police Department and other agencies.

GOALS

To provide management policies to all facets of recreation that will bring about a more efficient and productive recreation division.

To plan for future recreational projects/facilities.

To provide programs that serve the functional athletic needs to as many citizens as possible in recreational competitive sports.

To make available recreational swimming and to provide the opportunity to learn basic swim strokes, and to improve swimming skills already learned.

To operate recreational facilities in a professional manner that meets the needs of our citizens.

To promote increased sports participation.

To maintain all recreation facilities.

Water Administration Goals

The Department of Public Utilities is responsible for the maintenance and operation of the City's Water and Sewer systems in accordance with the City Charter and all applicable state and federal regulations.

To monitor revenue adequacy and adherence to the approved operating and capital budgets.

To respond quickly and effectively to citizen complaints and requests for information.

To prepare for future water needs of the City.
