New Business –

City Engineer, Ben Rauschenbach – went over issue with crossing, road and railroad company. Discussion about cost of plan change, when it would take effect and contacting and getting feedback from business owners. Manchac will contact property owners along route and hope minimal to no costs to change plan.

Mr. Hammons, asked if this would affect all crossings or just this one. Just the Shed Road one.

There being no further business to come before this Council, the meeting adjourned at 3:12 PM by Mr. Williams

Respectfully submitted:

Phyllis McGraw

City Clerk
